Date	22 April 2024
Time	12:30 p.m. – 2:30 p.m.
Duration	2 hours
Place/Platform	Seminar Hall and Gallery
Number of Participants	21 (for both competitions)
Guest Speaker/Trainer	Dr. Kavita Singh, Assistant Professor, Department of Environmental Science Mata Sunri College for Women, University of Delhi
Welcome Speech	Dr. Vinay Neet Kaur
Introduction to the Speaker	Ms. Ridhima
Activities <p>The first activity was a talk given by the Resource person, Dr. Kavita Singh who spoke about the history of Earth Day and the spirit with which we celebrate it every year. She then spoke on the theme of this year’s Earth Day, which is “Planet vs Plastic”. Dr. Kavita interacted with the students and gathered information regarding their opinion on how to live a sustainable life with minimum plastic wastage. She then also suggested various measures and steps that can be implemented at the college level and local level for minimising plastic usage and wastage. Towards the end she encouraged the students to inculcate the 3R principle in their daily lives.</p> <p>The talk was followed by two competitions that focussed on raising awareness about plastic pollution and strategize green business ideas that can lower our plastic footprint. The two competitions were</p> <ul style="list-style-type: none">● Planet Prints: illustrating a plastic-free futures where artists expressed their creativity, inspiring others to live sustainably via their handmade posters.● Earthpreneur: showcasing eco-friendly business strategies where young entrepreneurs and innovators can demonstrate how businesses can thrive while being environmentally responsible	
Main Ideas <ul style="list-style-type: none">● Promoting Plastic free environment and cultivating sustainable life style practices and habits among participants and attendees.● Encourage students to think out of the box and devise innovative ideas for reducing the usage of plastics
