Topic	Workshop on carbon footprint calculation
Organizer	EnviSAGE Society
Date	September 15, 2023
Time	11:30 am-1:00 pm
Duration	1.5 hours
Place/Platform	Parking area, near admin office
Number of Participants	45
Guest Speaker/Trainer	-
Welcome Speech	-
Introduction to the Speaker	-
Activities	<p>Society members took the initiative to organize a stall near the parking area to actively engage with students to educate them and raise awareness about carbon footprint. They effectively communicated the significance of carbon footprint, demonstrated how to calculate individual carbon footprint, and presented the necessary measures required to reduce it.</p> <p>Society members organized a signature campaign on the occasion, pledging to reduce the use of ozone-depleting substances in their daily lives.</p>
Main Ideas	<ul style="list-style-type: none">• EnviSAGE, the renowned environmental society, took charge and organized a highly successful Carbon Footprint Campaign in our college to commemorate World Ozone Day on September 15. This campaign aimed to raise awareness among students about Ozone layer depletion, global warming, with a particular focus on reducing their carbon footprint.• Through this campaign, students were inspired to take action and commit to mitigating climate change and promoting a healthier planet and learned about their carbon footprint and how to reduce it. By fostering a sense of responsibility towards environmental preservation, this event motivated everyone to make a positive impact.
