

Title of Event – Zeppelin

Organized by Cyberclan - The IT Society

Date – 12 and 15 March 2021

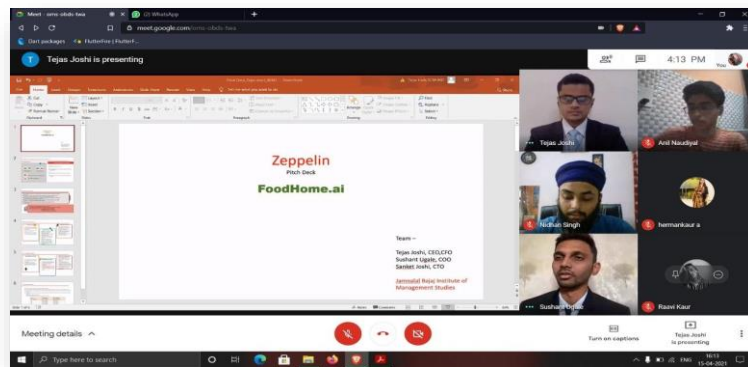

Number of participants – 100+

Zeppelin – A Battlefield of Blockchain

The IT Society had organized the event, *Zeppelin* to provide a platform to participants coming from various parts of the country and from innumerable universities to compete in a simulated tech environment. The purpose of the event was to provide technical and professional exposure to the students.

CyberClan – The IT Society of Sri Guru Nanak Dev Khalsa College (session 2020-21) had organized an event, *Zeppelin*, which commenced on 12 March 2021 & 15 March 2021 at 12 PM and 4 PM respectively. *Zeppelin – A Battlefield of Blockchain was a Quiz X Business Plan event*, testing the knowledge about blockchain technology and challenging the business mindset of the participants. The event consisted of two rounds, one was a quiz round having 20 questions and another was a B plan round where participants had to pitch a business idea using Blockchain Technology.

The event was flawlessly accomplished with approximately 100+ registrations and 6 finalists for the final round. The participants were from different universities both national and international.

The event concluded on a positive note, taking into consideration the feedback given by the participants with the promise to come back with numerous challenging events.
