Report of the event -

Vanaj organizes a thought-provoking event on Sudden Changes in Stock Market - Genuine or Dubious on 22 February 2021

The webinar included

- *Hikes in the market
- * Possible conditions of the market in the coming year
- *various and most important terms related to the stock market
- *suggestion related to the stock market
- * The recent advice for the current scenario

It was a very informative online program and was delivered in a very organized way.

Dr Vinod Sir explained to us the changes and how it is changing the economy and investors. He also pointed out the upcoming expected changes in the stock markets.

He finished the session by answering all the queries of the students. He made a very generous statement - Anytime is a good time to invest and anyone whether a bull or a bear can make a profit out of the stock market, one just has to take decisions wisely.
