Report:

Team SOFICA organized a session with the officers from Reserve Bank of India. Mr. D Bhattacharyya - AGM - Financial Inclusion and Development Department (FIDD) and Ms. Seema Jain, Manager - FIDD were the chief speakers for that day. The session began with the felicitation of our esteemed guests by Dr. GS Sood Sir, Ms. Silky Bhambri Ma'am and Mr. Manveet Singh Sir. The session began with some points of information made by the speakers on how RBI functions and policy changes. They made us aware about FIDD i.e. The Financial Inclusion and Development Department which focuses to make credit available to MSME sectors. Their roles and policies were shared. An interactive session was held and discussions were made on Demonetization and thus a perspective of viewing at it was discovered.

The Officers also took a Quiz Session and distributed the pamphlets to provide detailed information. After a great knowledgeable session, the talk culminated with the Vote of Thanks given by Ms. Gurneet Kaur Ma'am.
