### **Report of the Webinar**

On 17/04/2021, a webinar titled “**Campus to Corporate - Transform Yourself and Increase Employability**” was conducted by the Department of Commerce, Sri Guru Nanak Dev Khalsa, University of Delhi. This webinar was conducted in online mode through Google Meet.

The webinar began with the heartiest welcome of respected speakers, Head of commerce department, faculty and students from various courses and colleges of University of Delhi.

The event was led forward by the host as she introduced the first speaker - Mr. Saif Ahmed. He is a Digital Transformation leader at IBM. He took the session in a very interacting as well as interesting way. He told the participants about the 'Algebra to Success' and also explained how one can learn a new skill by putting in just 40 minutes each day for a month. Students also took part enthusiastically by interacting with him and asking multiple queries. He advised students to always prefer the growing sector and prepare themselves for a role which is in high demand and excel in that.

Then the next speaker- Mr. Zuhaib Khan was welcomed. Mr. Khan is a corporate trainer. He told the participants about what all aspects need to be taken care of so as to increase the probability of a resume getting selected by HR. He also explained about how to target a job, start a conversation, and gave very important advice that with a zeal to learn the chances for selection surely increase. He discussed the fear of rejection which is quite common in newcomers and how one can overcome it. Both the speakers focused on the growth sectors and advised the participants to always stay updated.

This was followed up with the question and answer session whereby both the speakers answered the queries of students. Overall it was an enriching experience where students got to learn how newcomers like them can succeed in the Corporate world.
