

SWOC Analysis

- Strengths
 - College management and staff is very cooperative and cater the support we need.
 - Students are continuously motivated and thrive the changes and work in a team spirit
 - Maximum utilization of already available resources
- Weaknesses
 - College ground need to be spacious.
 - Athletic track can be separately established.
 - There should be more inclusion of the students belong to marginal sections and society.
 - There is a scope in more development of infrastructural facilities
- Opportunities
 - There is a clear scope in the development of infrastructural facilities
 - More events collaborations can be made with other Universities and entities.
 - Indoor facilities can be expanded with advanced infrastructure.
- Challenges
 - Increase in participation in competitions University/All India Inter-University/Nation/International level
 - To create awareness about sports and its employability.
 - To increase number of girl students in sport participation
 - To generate collaborations and sponsorships for sports events
