

ACTION TAKEN REPORT

- ❖ The Department has been regularly organising Seminars/Webinars and Workshops on imperative areas which offer an enriching and learning experience for the students as well as the faculty.
- ❖ The Societies of the department often conduct talks by renowned speakers and industry experts from time-to time, empowering students to gain practical knowledge on current topics and industry exposure.
- ❖ In order to ensure student engagement in the online teaching-learning environment, the department extended requisite training for the faculty members. The training aimed to promote the effectiveness of online teaching methodology. The faculty attempt its best to adopt innovative teaching learning practices to ensure maximum participation of the students.
- ❖ Department conducts Parent Teaching Meeting once in a semester wherein students' progress is being shared with parents. Moreover, it provides platform, where parents may share challenges, feedback or suggestions with the faculty members. This activity creates an interface between faculty, parents and students.
- ❖ The department is working actively to equip the library with a pool of e-resources and rare books of various subjects to provide students with a plethora of knowledgeable and informative database.
- ❖ In response to the students' inclination towards foreign education, the department plans to conduct a series of webinars with an objective to provide guidance on admission and education in foreign universities.
