

Semester: 5

Course: MAJOR

PSC 3rd year

Name of the Paper: Political Process in India

Question Bank

1. Discuss the nature of the Indian party system. How has the decline of Congress dominance affected political stability?
2. Analyze the role of caste in Indian electoral politics. Has reservation policy altered caste dynamics?
3. Examine the federal dynamics in India. Critically evaluate the Sarkaria Commission recommendations.
4. What are the main features of pressure groups in India? Discuss their relationship with political parties.
5. Elaborate on the religion-politics interface in India. Analyze the impact of secularism on electoral politics.
6. Discuss the pattern of coalition politics in India since 1989. What challenges do coalition governments face?
7. Analyze the role of the Election Commission in ensuring free and fair elections in India.
8. Examine the changing nature of people's participation in Indian democracy through elections and social movements.
