

Semester: 2

BAP 2nd year

Name of the Paper: India's Foreign Policy

Question Bank

1. India's foreign policy: from a postcolonial state to an aspiring global power.
2. Critically examine the major factors shaping India's foreign policy.
3. How would you differentiate India's foreign policy from post-Cold war global order to its predecessor? Give suitable examples.
4. Analyze the emerging challenges and opportunities for India's foreign policy in the 21st century.
5. Identify domestic factors that played an important role in shaping India's foreign policy.
6. Critically examine India's relations with the US in the post 9/11 era.
7. Examine how the border disputes between India and China have impacted the overall relationship between the two countries.
8. Do you think that Russia continues to be an important and reliable partner of India?
