

**Semester: 4**

**BAP– 2nd year**

**Name of the Paper: Comparative Government and Politics**

**Question Bank**

1. Distinguish between comparative government and comparative politics. Which approach is more relevant for understanding contemporary political systems?
2. Discuss the major approaches to comparative politics: institutional, behavioral, and post-behavioral.
3. Compare the presidential system of the USA with the parliamentary system of the UK. What are the merits and demerits of each?
4. Analyze the federal structure of India and the USA. How do they address the division of powers between center and states?
5. Examine the role of political parties in liberal democracies. Compare the two-party system of the USA with multi-party systems in Europe.
6. Discuss the concept of separation of powers. How is it practiced differently in presidential and parliamentary systems?
7. Compare the judicial review mechanisms in the USA and India. What are their implications for constitutional supremacy?
8. Analyze the working of coalition governments in India with parliamentary democracies in continental Europe.
