

Result Analysis 2019-20

The results for the year 2019-2020 have been quite satisfactory for all three years, in spite of the pandemic that hit the country in February 2020. The students were promoted based on results of examination of previous semester and internal assessment of the current semester. The first year had 63 % first divisions while second year had 18% first divisions and the third year had 17% first divisions.
