

## **Department of Commerce**

### **VISION**

The department aims to impart transformative education to the learners by offering skills and value-based learnings to build meaningful careers and make a positive impact on the society.

### **MISSION**

The mission of the department is

- To ensure a holistic student-learning experience with special emphasis on developing the students so that they can meet the evolving needs and challenges in the present times
- To constantly striving to prepare our students for their aspirations and as per the needs of the future workforce
- To develop a spirit of entrepreneurship and innovation in the students through various initiatives
- To encourage an improved interaction between the industry and the Institute
