Notice Regarding Wi-Fi

Delhi University provides extensive **Wi-Fi and internet facilities** across its **Campuses, Departments, and Colleges** to support academic and research needs. Access is provided to **bonafide students, faculty, and staff** using their official university credentials (**Official Email Id**)

How to Connect

The general steps to connect to the "**MY DU**" network are as follows:

1. Go to your device's Wi-Fi settings and select the network SSID **"MY DU"**
2. Open a web browser; you should be redirected to the official Delhi University login page.
3. Click the "Login" button, which will take you to a Google Sign-in page.
4. Enter your official Delhi University email ID (like **abc@sgndkc.du.ac.in**) and password.
5. Follow any on-screen prompts (e.g., to change your password on first login or continue without internet if an initial error appears on an iOS device).
6. Once authenticated, you will be connected to the internet services seamlessly.
