The schedule for allocation-cum-admission to all Undergraduate programs of all Colleges of University of Delhi for the Academic Session 2023-24 is as under:

A Correction Window has also been provided for candidates who have already completed their Phase-I and wish to edit/modify certain fields.

This is a one-time facility for candidates to update their profile. OBC(NCL), EWS, SC, ST, Minority, PwBD, candidates who wish to re-upload their updated documents/certificates can do so in the Correction Window.

Candidates will <u>not</u> be allowed to edit/modify the following fields in the Correction Window:

The Correction Window will be open till **04:59 p.m. Thursday, July 20, 2023.**

3.   Calculation of Program-Specific merit score

In Phase-II, the Candidates will have to map the subjects studied by them in Class XII to those in which they have appeared in CUET-2023. Only those subjects will be considered in which the candidate has passed his/her Class XII board exam. In case the subject studied in Class XII was not a part of CUET, the subject similar or closer to the subject studied in Class XII will be considered. It will be sole responsibility of the candidate to provide correct subject-mapping.

For admission, the University of Delhi will consider subject-based "Normalised Score" provided by NTA for calculating the Program-Group merit scores. The candidates will be able to see their Program-Specific CUET score, based on the Normalized score, for all the Programs in which they are eligible for. These Program-Specific CUET scores will be auto-calculated and displayed on the dashboard of the candidates.

4.   Advise for filling the Preferences.

In the section of "Preference Selection", the candidate will be able to select and order his/her preferences. The "Available Preferences" tab will display all the possible Program + College combinations the candidate may choose from. In addition, the candidate can use the "Advanced Filter" option available at the top to filter the Colleges as well as the Programs. The candidate will have to choose and order the preferences as per his/her choice. The order of selection will also determine the preference order. The candidate can use "Top, Bottom and Preference Number" icons to reorder their preferences. The final order of preferences, as filled and saved, will then be reflected in the "Selected Preferences" tab. Once satisfied with the preference order, the candidate must "Save Changes" to submit his/her preferences.

Preferences saved by the candidates will determine the allocation and admission of the candidates. It is advisable to choose maximum number of preferences in which a candidate is willing to take admission, if offered. Addition/deletion/editing the Programs and the Colleges after the deadline for the Phase–II **will NOT be allowed.**
