NOTICE

The College has been working arduously towards the accreditation process for Cycle 2 of NAAC.

The final stage of the process was completed with the Peer Team Visit. The task of this magnitude could not have been possible without the active support of all stakeholders .

I would like to express my sincere gratitude to all members of the IQAC team of our college for working tirelessly towards this mission.

I am thankful to all members of the teaching and non-teaching staff for their support and cooperation.

A special word of thanks for our dear Students for their enthusiasm and persistent efforts throughout.
