

## **Canon Photography Workshop**

**21<sup>st</sup> August 2017**

### **Brief Report**

Canon India, in collaboration with Photobug organized a Photography workshop at Sri Guru Nanak Dev Khalsa College on 21 August, 2017. The resource person for the event was Mr Virendra Adhikari from Canon India. The theme of the workshop was basics of photography.

The event began with a brief introduction about the Photobug society by Tanya Dasgupta, President of the society. She welcomed the participants and resource person as well. After this Mr. Virendra Adhikari commenced his session in which he explained basic concepts of photography, focussing on camera settings, importance of lighting, basics of framing and composition of images etc. Participants put forward various doubts which were answered and clarified by the expert.

More than 50 participants from different colleges/ institutions across Delhi participated in this informative workshop. A group photo was clicked at the end of the event.
