Introduction to the Speaker	N.A.

Activities:

- Company conducted a test based on the orientation, interest, personality, aptitude, emotional quotient.
- 1st test was orientation style which had questions related to work and the way that person will approach the work and certain situations.
- 2nd test was based on areas of interest of students and possible professions, careers related to those areas.
- 3rd was personality test, which primary focused on personal attributes of the individuals.
- 4th was aptitude test, it had quantitative aptitude and logical reasoning, such subjects are demanded foe several competitive exams.
- 5th one was related to emotional quotient, officials mentioned this is the most important among all the above test, because this is needed in every stage of life.

Main Ideas:

- Profound analysis was ushered by Global University System regarding the possible post-graduation options available for students.

- GUS representatives exhorted best options for every individual student.
