

Title of Event: Consumer Fix

Organized by: SOFICA

Date: 9th October and 10th October

Number of Registrations: 74 Registrations

Consumer Fix was a live event and the main idea behind it was to check the participants' knowledge regarding the roles, responsibilities, rights, and duties of an aware consumer. The event was divided into two rounds:

The first round was a quiz consisting of 20 questions to be answered in exactly 12 minutes. This round was an elimination round and it consisted of questions on mainstream topics of consumer awareness, rights, and duties, roles, and responsibilities.

The top 16 participants from this round were selected for the next round.

This round was designed in a way similar to moot court practiced in law schools. 8 teams qualified in this round. Each team was provided a case study. Both members of the team framed their arguments based on relevant proofs.

Case studies for the event were shared at 11:00 A.M. sharp. Candidates were given 2 hours to frame their arguments. The live session started at 1:00 P.M.

After all the teams performed Team TUMB, Team WE2 and Team Consumer Care secured positions.

- Winners and runners-up got free async mock interviews with unlimited practice.
- 20% percent off on courses was provided by Finladder to the qualifying participants.
- 90% off on courses was provided by Interview Buddy to the qualifying participants.

And winners also got cash prizes worth Rs 2000.
