Activities

- The Escape Quest started with a welcome speech by member of Udyamita.
- The Anchors, then explained the event to the participants.
- The Quest was divided into two main rounds, first one was the collection round which required Teams to collect 4 items, i.e. ten coins of Rs10, red scarf, red mobile cover, a medicine and Sketch Pen.
- The Teams were promoted to the next round based on **minimum time taken** criteria.
- Second round was The Treasure Hunt for which teams were given clues to identify the locations (Garden, Library, Computer Lab, and Gym).
- The tasks at the respective locations were performed by teams to acquire the clues for next step.
- From the final two teams, winner and runner-up was announced based on their performance at the final location, i.e. Gym.
- After the event, winner and runner-up team were felicitated with reward and recognition.
- The response was overwhelming.

- The Quest came to end by the thank note to participants and to all those who worked hard to make the quest happen.

Objective
