Activities: <ul style="list-style-type: none">● On April 2, 2022, Youth for Seva held a felicitation ceremony. This event took place in their office premises.● Our college was one of the few colleges that were invited to this ceremony.● The organizers presented a video showcasing the workings of YFS and gave us a brief synopsis of their future prospects.● The volunteers were asked to give one-of-a-kind introduction that included a middle name describing their USP.● Vanshika Arora and Monika, two volunteers of our college, received a letter of appreciation for their unwavering dedication and magnanimous efforts.● The rest of the dedicated volunteers received certificates for recognizing their relentless efforts in projects in which they volunteered.● Overall, the event was great and we learned about YFS's future prospects and objectives.● Few recreational activities were organized by them, to help us know each other better.	
Main Ideas: <ul style="list-style-type: none">● Volunteers from different colleges who worked tirelessly were invited for this felicitation ceremony to acknowledge their unabated efforts.● This sort of acknowledgment was indeed required because it drives us to continue to perform more seva.
