## How to Improve Employability of the Students

KIRT the economics society of SGND Khalsa College organized a seminar on 'How to improve employability of students' on 9<sup>th</sup> February, 2019 in the college seminar room. Dr. Sonali Yadav conducted the seminar. She holds 13 years of experience into academics and research. She is specialized in 'NSE Embedded Technical Analysis Tool' and 'E-views Software' for forecasting stock market momentum.

The seminar focused on artificial intelligence. In today's world of technology, artificial intelligence plays an important role, guiding students about the same was an enriching experience for all and a necessity too. The seminar guided students regarding basics of what is artificial intelligence and why is it a necessary tool to learn in today's time. This was a great platform for students to gain knowledge about the topic. The seminar ended with an engaging Q&A session where Dr. Yadav answered all the queries patiently.
