

Title of Event: Inaugural Ceremony

Organized by: Asankh Mathematics Society

Date: 10th October, 2018

Number of participants: 45

Report of the event: With lots of zeal and excitement, the first- and second-year students of Mathematics Department of SGND Khalsa College inaugurated the new mathematics society of the college “ASANKH” on 10th of October.

Dr. J K Thukral, who is an associate professor of Mathematics in SRCC was present as the guest of honor. The debut event of ASANKH was started by invoking Goddess Saraswati by kindling the lamp of knowledge and wisdom which was followed by Dr. J K. Thukral’s talk on ‘basics of calculus’. He also spoke about how to go on about teaching students who have math as their Generic Elective as well as those who have it as their core. All the participants present there had lot to take away from the talk.

After such a knowledgeable talk by Dr. J K Thukral, he presented society badges to all the core members of the society followed by all the volunteers getting ID cards of ASANKH.

The debut event of ASANKH was splendid and every member of the society hopes to organize lots of such events in future.
