

JANUARY INTERVIEW

Date:18 January 2021

Participants : 62

The recruitment process for first years of SOFICA started with the circulation of Google forms in beginning of January. First round of interview was taken by the existing members of the society via Google meet. Time slots were allotted to the candidates who registered themselves in the recruitment process through Google forms.

We received a total of 62 registrations.

After the interview , shortlisted candidates were assigned tasks according to their respective field of interest like technical (poster making) , marketing (promotional message) or content for an upcoming event with specific time limit .

Those who submitted their tasks on time with good content qualified for the next round of interview with the convenors.

The last round of interview was with the convenors which was conducted via Google meet, and the results were announced on 26th January on SOFICA's instagram Account. A total of 10 candidates were selected in the recruitment process. Names of the Selected candidates are as follows:

1. Shaksham Sharma BCP Gaurang Arora BCP
