

**Title:** Medical Camp

**Organized by:** The Divinity Society

**Date:** 8<sup>th</sup> November, 2019

**Report:** The Society organized Health Checkup Camp in collaboration with BLK Hospital. It was a day camp wherein team of doctors and health experts visited college premises. It included basic health checkups to the staff and students such as Sugar level check, Blood Pressure, BMI and basic blood test reports. It was an initiative taken to create awareness about our health and to realize need to basic checkups on regular basis to ensure healthy lifestyle. Entire team of Divinity ensured coordinated registration and conduct of the medical camp.
