

PAN Card Registration Camp by Team SOFICA

The society aims to make everyone financially literate with every passing day and to make people aware and updated. Team SOFICA came with an opportunity for the students, teachers, staff members to apply for PAN CARD in college. A help desk was organized on 13th and 14th March, 2018 to help the applicants to fill the form for PAN Card. This initiative truly turned to be a hit among the masses. The society was able to accomplish its goals to educate, encourage and initiate something of value to the people. Society members helped the students, teaching, non-teaching staff from not only guiding them about the procedures and documents required but also helped them filling their forms. Then, these were sent to the department. The Society was successful in completing this event with such a positive response.
