

Title of Event : Panacea, Annual mathematics fest

Organized by: Asankh Mathematics Society

Date: 11th February 2019

Number of participants : 70

Report of the event: On 11th February 2019, Asankh the mathematics department of Sri Guru Nanak Dev Khalsa College with great pomp and show organized an Annual Mathematics Fest PANACEA'19. The fest was an amalgamation of four events scheduled back to back under the stern guidance of our convenors and co-convenors. The events were:

1) Pictionary-a mathematical charades

The task was to demonstrate an object, or whatever clue given on a whiteboard using basic mathematical shapes and knowledge.

2) Brain-o-matics – the mathematics quiz

The event was a fine description of the knowledge of mathematics along with the sport one, inculcate. Students of various colleges took active participation.

3) Completing the gauntlet- a theme based treasure hunt.

With a mind numbing treasures kept throughout the college, the treasure hunt began with a preliminary round. The preliminary was a tough competition as only four teams were selected for finals.

4) The Fun House Café- a game based on probability.

The events included games on cards and dices.

The events had participation from various colleges and the host college as well. The fest was a success.
