Activities • Project S.E.V.A. hosted a heartwarming session at the old age home, where we engaged in meaningful interactions with the elderly residents and received their blessings. We shared heart-to-heart conversations, listening to their experiences of living at the home, and spent time bonding over tea. • The atmosphere was filled with joy as Project S.E.V.A. members and the elderly sang their favourite songs together, exchanging gratitude and appreciation. At the beginning of the session, we distributed roses as a token of love, followed by handing out grocery items and fruits.	
Main Ideas • Project S.E.V.A. recently embarked on a heartfelt mission to uplift spirits at Old Age Home, where our goal was to bring comfort and joy to the elderly residents through meaningful engagement and to make them feel like home. • During our visit, we spent quality time with the elderly, deeply touched by the warmth and wisdom they shared, and the genuine smiles that lit up their faces. • Our time at Guru Nanak Sukh Shala, Old Age Home was unforgettable, filled with laughter and connection, reaffirming our belief in the transformative power of	

compassion. It underscored the profound impact we can make in the lives of others through acts of kindness and shared moments of joy.
