## **Sri Guru Nanak Dev Khalsa College Dev Nagar, New Delhi - 110005**

### **Main Ideas**

**EMBARKATION 4.0**, the flagship Placement Fair organized by SGND Khalsa College, emerged as a resounding success, marked by remarkable participation and notable achievements. One of the standout features was the diverse and accomplished group of students in attendance, representing some of the most prestigious institutions, including SRCC, Hansraj College, LSR, Sri Venkateswara College, and St. Stephen's College, among others. Students from various other universities and colleges across the region also participated with great enthusiasm.

The event was further elevated by the strong presence of HR professionals from over 20 esteemed organizations. Industry leaders such as Ditto, R1RCM, Celeckt, Bajaj Allianz, Insights Opinion, Reslink, and Recruit CRM actively engaged with students throughout the fair. Notably, EMBARKATION 4.0 had the honour of hosting several of these organizations at Delhi University for the very first time. Their enthusiastic participation and meaningful interactions with students underscored the growing relevance and impact of the fair within the corporate sector.

Each company brought its own unique selection process, all seamlessly coordinated by our dedicated Crecido team. Ditto provided an engaging overview of their organization before moving forward with their assessments. Bajaj Allianz, Insights Opinion, Reslink, and Recruit CRM each conducted interviews and selection processes tailored to their specific hiring needs, offering diverse roles and opportunities to the participants.

The fair attracted an exceptional footfall of over 600 motivated participants, reflecting the strong interest among students in exploring career opportunities and expanding their professional networks. As a token of appreciation for their time and invaluable contributions, HR representatives were presented with thoughtfully curated gift hampers—an acknowledgment of their pivotal role in making the event a success.

In conclusion, EMBARKATION 4.0 exemplified the power of collaboration between academia and industry. It successfully bridged the gap between student aspirations and corporate opportunities, setting a new benchmark for placement fairs and paving the way for future endeavours.
