| <b>Activities</b> <ul style="list-style-type: none"><li>The event started with the team members giving a brief introduction about the society to all the participants followed by welcoming the judges. Ms Charu Kaur Arora, founder member of the society and currently a law student at the CLC, Delhi University, and Dr Gaurav Vasishtha, researcher and educator.</li><li>Around 20 teams from across Delhi NCR participated in the competition which comprised two engaging rounds. "Pen To Progress," the first round, required participants from various colleges to submit abstract papers or reports, showcasing their creative ideas for sustainable solutions. This stage not only tested participants' research skills but also encouraged thoughtful analysis of environmental issues.</li><li>The second round was, "Call For Solution," in which participants engaged in an exciting battle of PowerPoint presentations, pitching their solutions on insightful topics. Based on the two rounds, the judges declared the top three winners</li></ul> |                                               |
| <b>Main Ideas</b> <p>Fauna Silvestre 4.0, as an inter-college competition, served as a platform for diverse perspectives and solutions, fostering collaboration and knowledge exchange among students from different institutions. The event highlighted our society's commitment to fostering a broader, collaborative approach to environmental problem-solving.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |                                               |
| <b>Vote of thanks</b>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                | Joydeep                                       |
