Activities	<ul style="list-style-type: none">• During our visit to Matrichhaya, led by the conveners of Project S.E.V.A. along with its student members, the day turned into a meaningful learning experience. The innocent smiles of the children truly lit up our hearts. Through engaging activities like dance, games, Ringa Ringa Roses, and listening to their sweet poems, we created a cheerful and interactive atmosphere.• We met two age groups of children—those between 3 to 7 years and another group of newborns just a few days old. For the elder group, we distributed gifts and biscuits, ensuring every child felt included and appreciated.• Later, we visited the infant section. Watching those little babies resting in their cradles was an emotional moment for all of us. We adored them with love and gentle affection. The visit ended with lasting memories and a deep sense of gratitude in our hearts.
Main Ideas	<ul style="list-style-type: none">• Engaging in playful moments and cute conversations with the children allowed us to build genuine connections, making our time together deeply meaningful. Each shared smile and laugh served as a powerful reminder of how even the simplest gestures of kindness can brighten someone's day.• Their laughter and enthusiasm meant the world to us, as our goal was to fill their day with happiness, trust, and a sense of belonging. Witnessing their joyful expressions while dancing and playing cute games was a moment of pure, heartfelt delight that we will always cherish.
