

Title of Event: Orientation Program

Organized by: Project S.E.V.A.

Date: 21st January, 2022

Number of Participants: 52

Project S.E.V.A. organized its orientation program on January 21, 2022. The session was conducted in online mode through Google Meet and the duration of the session was 1 hour.

The session began with the heartiest welcome of the respected convenors and students from various courses of our college. Ms Omita, College Relations Coordinator interacted with the students and gave a brief about Youth For Seva, the main organization with which Project S.E.V.A. is working. The program was organized to acquaint the students with the working of the different departments. Both the anchors had a detailed discussion of all the projects undertaken by Project S.E.V.A. so far. A small video was also showcased highlighting all the previous events to give a clear understanding to the students.

The students inquisitively asked several questions which were all answered in detail. The attendees were satisfied and showed interest in being the part of Project S.E.V.A.
