Main Ideas:	<ul style="list-style-type: none">❖ The impetus behind Aziyat 2.0 was to create cognizance about the agony endured by a woman every month.❖ Period pain stimulators were used to replicate the same sensation.❖ Every man who volunteered for Aziyat 2.0 realized the pain endured by women, therefore the program served its purpose in true sense.❖ After this event, we think that everyone will regard women with greater respect because of their courage and patience.❖ We were extremely overwhelmed and delighted by the amount of love and support that we got for this event. We are looking forward to more such events.
