

**Title of Event:** Ruminare

**Organized by:** SOFICA - The Society for financial literacy and consumer awareness and Udyamita – The Entrepreneurship Cell

**Date:** 8<sup>th</sup> February, 2018

**Number of participants:** 47

47 students from various colleges registered for our event from which team ruminare shortlisted 15 students. We began with our event as soon as the inaugural ended. The audience and participants were seated and the judges were facilitated by our teacher coordinator. We began the event by allotting numbers to the participants from one to fifteen. There were three panel discussions with five participants per discussion. Number one to five were part of the first panel discussion and then five to ten were in the second and the remaining were in the third discussion. The audience was very participant throughout the event and the students were asking questions related to the topic of the panel discussion. After all the three round prizes were given to the best panelist in each panel and to the top three interjectors.
