Activities	<ul style="list-style-type: none">• Student members of both societies, alongwith respective teacher convenors visited Flag Children Home, Delhi with the twin objective of imparting environmental education on a contemporary issue and as a gesture of sharing and caring for the underprivileged.• Children were shown a short documentary on managing solid waste and the importance of waste segregation. Based on the documentary, a quiz was conducted in which all children participated actively.• Following the quiz, an activity was also conducted in which the children were taught to design their own colour coded (blue, green, red) dustbins from waste material (used cardboard boxes, newspaper, waste paper etc).
Main Ideas	<ul style="list-style-type: none">• The event was the first environmental education based outreach activity for Project S.E.V.A. society.• Student members thoroughly enjoyed their interaction with the children and were very glad to share their knowledge with them.• Members of both societies also learnt important skills in planning preparing and executing for an outreach event.
