

Team Building Activity 13th September, 2018

With the aim to connect and build the understanding between the members Team SOFICA and Team Udyamita engaged on 13th September 2018 in a Team Building Session where they put various management lessons into practice by playing various games

A game similar to dum charades was played individually by each member in which they had to enact the concerned member name in the society and audience had to guess the same Next, was a team game in which a group of 5 members enacted a 2 minute act on a topic "When SOFICA meet Udyamita" At the end, winners were given prizes.

Both the games turnout to be engaging and interactive where both team members mix matched and represented enactments

The event proved a bonding and connecting the current society members with the new ones.
