Post-Event Report

Event	The Data Visualization: Tools and Techniques
Topic	Data Visualization Workshop
Organizer	KIRT - The Economics and Business Economics Society.
Date	22 January, 2026
Time	1:30 pm
Duration	4 hours
Place/Platform	Lab 112
Number of Participants	20+
Welcome Speech	The hosts, Ekam and Simarpreet Kaur welcomed the guest speaker, Dr. Devesh Birwal, the respected faculty of KIRT Society and the audience.
Introduction to the Speaker	Dr. Devesh Birwal, eminent assistant professor of Delhi School of Economics (University of Delhi).
Activities: The Data Visualization (Tools and Techniques) Workshop, organized by the KIRT Society on January 22, 2026, was a grand success. The workshop began with a brief welcome by the hosts and the presentation of a potted plant as a token of appreciation. The session primarily focused on data visualization, related challenges, and practical solutions, with special emphasis on R, along with demonstrations using SPSS and STATA. Through a PowerPoint presentation, the speaker explained key concepts and their real-world applications. The workshop helped students develop practical data analysis and visualization skills, improving clarity and effectiveness in reports, projects, and presentations.	
Main Ideas: The objective of the workshop was to upgrade analytical skills and enable participants to transform raw data into meaningful insights. Emphasis was placed on effective data visualization techniques that help data speak clearly and ensure that insights are understood, impactful, and persuasive to the audience.	
Vote of thanks	The Convenor, Dr. Mamta Ahuja, thanked the speaker, Dr. Birwal, the faculty members, and the KIRT team for their support in the successful conduct of the event.
