

# Launch Of Incubation Centre

Date: 9 November, 2016

Venue: Sri Guru Nanak Dev Khalsa College

Udyamita successfully launched an incubation center in the college on September 9, 2016. Our incubation center aims at helping young entrepreneurs by providing a variety of services such as mentorship, networking, office space and much more. Eminent personalities including Mr. Kanishk Kumar, Senior Associate Director Enterprise sales (Flock App); Mr. Jatinder Singh, Senior Secretary CSR and Skill development; Ms. Geetanjali Khanna, Co-founder of Eduvision technologies; and Ms. Sera Arora, Manager North India operations took part and delivered lecture on various topics related to entrepreneurship.

The motto of our incubator is- 'It's not about ideas, but about making ideas happen'.

The event was started by a PPT given by a startup called HATAOO which has come up with a solution to resolve the car parking problem in India. This was followed by our guest speakers Mr. Jatinder Singh being the first one. He talked about justifying the viability of a startup. Mr. Kanishk Kumar Abhishek then talked about the perfect combination of technology, opportunity, and entrepreneurship. This was followed by Ms. Sera Arora and Ms. Geetanjali Khanna educating the students about pitching to the investors for funding and education prospects in the startup sector in the country respectively. The Event was concluded by our mentor, Dr. G.5 Sood Sir who shared with the students his words of wisdom.
