

**Title of Event : Movie Screening**

**Organized by: Asankh Mathematics Society**

**Date: 02 November 2018**

**Number of participants : 40**

**Report of the event:**

On 2nd November, ASANKH – The Mathematics society of SGND Khalsa college organized a screening of such a complex blockbuster movie “The Imitation Game” for the students. Of course the film was based on mathematics still a lot of students present there were from different courses. The audience was not aware of the movie details till the movie started as an exciting quiz related to movie was organized too.

The event started with the words of wisdom by respected principal Dr. Manmohan Kaur. As always she was splendid with her words and the students got to learn many new things. Her enlightening words proved to be eliciting for the participants. The event went well with an enthusiastic questionnaire and amazing awards for the winners.
