We were all sold out of our sustainably curated scented candles, all 27 of them.• Our primary appeal was our coffee-scented candle.• Radium collar bands were also installed under our SANRAKSHAN project, we successfully carried out the purpose of the project by providing collars to DRC stray dogs.• It was an excellent opportunity to meet with fellow students, and the turnout at our stall was very heartwarming.	
Main Ideas: <p>The major purpose was to shed light on our recently launched initiative (NAAZ) and highlight our Project SANRAKSHAN, which aims to give voice to the unheard species.</p>
