Activities

- Introduction to the Placement Cell, its functioning, opportunities, packages, and role in facilitating students' career development and recruitment.
- A fun quiz activity based on company-related characters and clues, encouraging active participation and engagement among students.
- An interactive session on "*Decoding Your First Internship*", covering practical strategies, internship preparation, career planning, and responses to students' queries.

Main ideas

- Students were introduced to the functioning, initiatives, opportunities, and role of the Placement Cell in facilitating career development and placement opportunities.
- An insightful session on "*Decoding Your First Internship*" covered internship preparation, relevant skill development, career planning, and practical approaches to securing the first internship. Students also actively participated in the interactive Q&A session.
- Students participated in an engaging quiz 'Guess The Company' where companies were identified through different clues and characters. The activity encouraged enthusiastic participation and created an energetic environment.
- The society's Heads, Core Team members, and Coordinators were introduced to the students, providing an overview of the team and their respective roles.
- The orientation combined professional guidance, interactive activities, and team introduction to create an informative and engaging experience for the students. Alongside this the recruitment form was also shared with the students.
