Main Ideas

The primary purpose of the event was to introduce freshers to the Social Media Cell (SMC), where we explained its role in managing the official Instagram page of SGNDKC. The SMC provides the latest updates on events, societies, results, and announcements. Additionally, SMC organizes various fun-filled and skill-enhancing events in a year. As a part of the orientation program, we conducted the Khalsa's Got Talent contest, where students were encouraged to showcase their talents by creating a reel, which they had to upload on their Instagram handles and tag the official page of SGNDKC. The main objective of this contest was to help freshers open, overcome hesitation and build their confidence.
