## Main Ideas

The main idea of the event was to Inaugurate the Society and honour the Office Bearers with Badges for their respective posts. This ceremony motivated the students and enabled them to be more responsible towards the Society and perform their duties in a more professional manner in the future events of the society.

The Treasure Hunt was organized by the students of Civil Society to make the students of other courses of the college a part of the Society and encouraged them to participate in large number. It was a fun activity which also included important aspects of political science.

Vote of thanks

Dr. Bineet Kaur
