**Main Ideas**

1. Hellwalk promoted creativity and innovation as the organizing team designed the theme, layout, props, lighting, and storyline entirely on their own. This allowed members to showcase skills in event planning, set design, and experiential storytelling.
2. The maze fostered collaboration and leadership, as volunteers coordinated crowd flow, managed safety protocols, and acted in various roles to maintain the immersive environment. Students learned to handle responsibilities under pressure, communicate effectively, and ensure smooth execution.

**Vote of Thanks by**

The anchors extended their heartfelt gratitude to the audience for their enthusiastic participation and support throughout the event. They also thanked the teachers and organizing committee for their constant guidance and encouragement, which played a key role in making the event a grand success.
