## BEST PRACTICES 2022-23

### *Best Practice 1*

#### Learning outside classroom

#### Objective:

To enhance self-awareness and specialized skills in students by enriching their educational experience by showing them real-life applications of theories.

#### Context:

A good education system prepares students for life beyond educational institution. Society needs citizens with self-awareness and more specialized skills. So, experiential learning has become equally important in today's scenario.

#### Practice:

- Talk on different contemporary issues were delivered.
- Bridge/Add-on-courses were carried to fill gap between school and college learning and learn software.
- Several workshops, events, seminar/webinar, panel discussion, video screening of documentaries and field visits were organized.
- Facts, news, contemporary issues, Vedic mathematics tricks and quizzes were shared through social media.

#### Evidence of Success:

Practice	Number
Talk/lecture	22
Events	28
Seminar/Webinar	8
Learning through social-media	Several Posts
Field Visit	6
Panel Discussion	1
Add-on-course/Bridge Course	3

Above activities have ensured

- student engagement
- deeper learning
- enhanced work and life skills.

**Problems Encountered and Resources Required:**

College can't carry out many activities as curriculum need to be completed within a timeframe and students need revision time. Paucity of funds sometimes restrict the college from conducting activities.

*Best Practice 2*

**Revitalizing ourselves by strengthening ties with the community**

**Objective:**

Holistic development of the students through inculcating a sense of responsibility towards community and interaction with other stakeholders of society.

**Context:**

Students are future of nation. Community service makes them empathetic. They begin to think about the impacts of their actions on others and make such decisions which helps in inclusive growth.

**Practice:**

- Donation drives were organized.
- Awareness camps/rallies/events were organized to sensitize community towards issues related to females, LGBTQIA, physical and mental health, menstrual hygiene, wildlife, cleanliness and solid waste management.
- Enactus fed street dogs with deworming powder which was made from pumpkin seeds along with milk to detoxify and nourish them.

**Evidence of Success:**

Practice	Number
