**Activities**

- We started the day bright and early by congregating near the administration office of the college with an overly enthusiastic group of students who were brimming full with the excitement and energy to absorb all the teachings of the speaker.
- This event was prepared with a painstakingly attention to detail over the course of weeks. With the guidance of our convener Ms. Garima Malhotra, the members and leadership of the society laid the groundwork for the success of our first ever industrial visit.
- At 11 a.m. sharp, all the attendees reached the office of BSE at the aforementioned address, where we assembled in a conference room and got introduced to the speaker Mr. Sanjiv Das , an exemplary man with a humorous disposition.
- Thus, the event started with an excited uproar of applause and continued with zest till the end. The event provided a comprehensive understanding of the intricate workings of the financial markets and investment landscape. Engaging sessions led by industry experts not only deepened our knowledge of market dynamics but also shed light on the latest trends and innovations in the financial sector.
- The conference ended with a Q/A session where the students cleared their doubts, elaborating further on this , we got to know about the internships opportunities offered by BSE and stimulating career options .

### **Main Ideas**

- The Industry Institute Interaction Cell of our college serves as a bridge connecting industry and college students. It plays a pivotal role in facilitating meaningful interaction between students and professionals from various industrial sectors. This interaction provides valuable insights, internship opportunities, and career guidance, enhancing the students' overall educational experience and career prospects.
- The interactive nature of the session facilitated meaningful discussion, enabling us to gain insights into diverse investment strategies and risk management techniques. This workshop created an environment curated for people interested into the world of investment and financial gains.
- The practical insights gained not only enhanced the participants' financial acumen but also contribute to the broader goal of promoting financial inclusion and empowering individuals to actively engage in wealth creation through stock market participation.
- We delved into the fundamentals of stock trading, market analysis, and risk management, providing attendees with a solid foundation for navigating the dynamic world of stocks.
