Main Ideas

The online movie screening of Chaar Sahibzaade aims to introduce audiences to the inspiring bravery, sacrifice and spiritual strength of the four sons of Guru Gobind Singh Ji. The event seeks to educate viewers about an important chapter of Sikh history through a powerful and emotionally moving animated film. By hosting the screening online, the idea is to reach a wider audience, promote cultural understanding and encourage young people to connect with their heritage. The screening also provides an opportunity for families and students to learn together and reflect on the values of courage, faith, and selfless service shown by the Sahibzaade.
