

Title of Event: Diwali Celebration at "Flag Children Home"

Organized by: Project S.E.V.A., SGND Khalsa College

Date: 28th October, 2021

Number of Participants: 50

Report of the event-

Project S.E.V.A. conducted an offline activity on the theme 'Diwali celebration' on 28 October, 2021. A team of 10 volunteers and 2 teachers went to 'Flag Children Home' orphanage, to spread happiness among the children. The duration of the activity was 3 hours. There were total of 40 children in the orphanage of an age group of 5-15 years.

During the visit, the volunteers introduced themselves to the children present in the orphanage. The children were delighted to meet these volunteers and interacted with them.

Volunteers then divided themselves into groups and organised various fun activities for these children like Rangoli making, Diya decoration and Toran making. The children on the other hand participated actively in the activities and showed their creativity. It was astonishing as well as wonderful to see a plethora of talents in these children.

At the end, the volunteers wished the children a very Happy Diwali and gave them beautiful potli bags as a small token of love. The children were very excited and the happiness on their faces brought a sense of relief.

Overall, the visit was an overwhelming experience as the children as well as the volunteers were very delighted and satisfied.
