Welcome to Sri Guru Nanak Dev Khalsa College

It is with immense pleasure, pride, and a deep sense of responsibility that I welcome all prospective students to **Sri Guru Nanak Dev Khalsa College**, one of the premier institutions of higher learning, dedicated to **academic excellence, character building, and holistic education**. Named after the revered first Sikh Guru, **Sri Guru Nanak Dev Ji**, our college embodies his timeless vision of knowledge, compassion, equality, and service to humanity. Inspired by his teachings, we strive to nurture not only intellectually accomplished graduates but also socially responsible and ethically grounded individuals who contribute meaningfully to society.

The philosophy of our institution is firmly rooted in the three cardinal principles of Sikhism:

Kirt Karo – Earn through honest and dedicated work.

Naam Japo – Remain spiritually aware and cultivate inner wisdom.

Vand Chhako – Share your resources and serve those in need with humility and compassion.

These principles transcend religious boundaries and offer a universal framework for leading a life of integrity, purpose, resilience, and social responsibility. They inspire our students to pursue excellence while remaining deeply connected to the values of empathy, inclusivity, and ethical leadership.

At Sri Guru Nanak Dev Khalsa College, we believe that education is far more than the acquisition of knowledge—it is a transformative journey that shapes the mind, enriches the spirit, and empowers individuals to become lifelong learners and responsible global citizens. Our academic environment encourages curiosity, creativity, critical thinking, and innovation while fostering respect for diversity and cultural heritage.

Our vibrant campus life offers students numerous opportunities to discover and develop their talents beyond the classroom. Through cultural societies, sports, research initiatives, community service programmes, entrepreneurship cells, innovation hubs, and various student-led activities, learners are encouraged to cultivate confidence, creativity, collaboration, and a lifelong spirit of learning.

The continued growth and success of our institution have been made possible through the unwavering support and visionary leadership of our Management Committee. I express my sincere gratitude to **S. Harmeet Singh**

Kalka, President of the Delhi Sikh Gurdwara Management Committee, whose steadfast guidance, generous support, and commitment to educational excellence have significantly strengthened the foundation of our college and enabled us to pursue new milestones with confidence.

I also extend my heartfelt appreciation to our esteemed Principal, **Dr. Baljeet Singh**, whose visionary leadership, academic commitment, and relentless pursuit of institutional excellence continue to inspire our faculty, staff, and students alike. Under his guidance, the college has embraced innovation while remaining firmly anchored in its cherished traditions and values.

As we welcome a new academic year, we invite you to become a part of a vibrant learning community where tradition harmoniously meets innovation, where academic excellence is complemented by moral integrity, and where every student is encouraged to realize their fullest potential.

Choosing a college is one of the most significant decisions in your educational journey. At Sri Guru Nanak Dev Khalsa College, you will find an environment that challenges you intellectually, supports you personally, and prepares you professionally. Here, you will acquire knowledge, develop skills, build lifelong friendships, and embrace values that will guide you throughout your life.

Dear Students,

It is a privilege and a matter of immense pride to welcome you to Sri Guru Nanak Dev Khalsa College, a distinguished constituent college of the University of Delhi. Choosing the right institution for your higher education is a pivotal decision, and I assure you that our college is entirely committed to helping you realize your highest potential, both academically and personally.

Since our inception in 1973, this institution has carved out a distinct identity by beautifully balancing cutting-edge academic learning with strong humanistic values. Named after the first Sikh Guru, Sri Guru Nanak Dev Ji, our ethos is deeply rooted in his secular and egalitarian teachings. We encourage our students to live by the tenets of Kirt Karo (honest labor), Naam Japo (spiritual grounding), and Vand Chhako (sharing with others). In our vibrant, inclusive, and secular campus environment, these ideals inspire a genuine spirit of equality and a deep sense of social responsibility.

Cultivating Innovation and Scientific Temper

We believe that modern education must foster a sharp, critical mind. Guided by the Guru's vision of breaking outdated barriers to seek truth, we focus on instilling a strong scientific outlook in our adult learners. Our faculty has meticulously designed interactive teaching-learning modules within our IT-enabled classrooms to make education dynamic, accessible, and engaging.

Beyond the classroom, you will find excellent structural support to fuel your curiosity:

The College Library: Rapidly expanding and deeply stacked with classic texts as well as modern digital repositories.

Advanced Labs: Equipped to meet your theoretical and application-based requirements.

Holistic Growth: Active National Service Scheme (NSS) and National Cadet Corps (NCC) wings that sensitize our students to national and global challenges, alongside highly celebrated arts, culture, and sports societies.

Preparing Future-Ready Leaders

The globalized world demands professionals who are not only employable and entrepreneurial but also empathetic. Our mission is to transform you into life-long learners who can step into leadership roles as mature, confident change agents. Whether your goals lie in research, corporate professions, or public service, we provide the platform to build your capacity and sharpen your skill set.

In an era defined by rapid technological advancements, artificial intelligence, and global interconnectedness, our commitment is to prepare students not merely for employment but for meaningful careers and purposeful lives. We continuously strengthen our academic programmes by integrating contemporary curricula, experiential learning, interdisciplinary approaches, research opportunities, and skill-based education aligned with the objectives of the National Education Policy (NEP) 2020.

Recognizing the evolving expectations of industry and society, we have consistently upgraded our infrastructure, established state-of-the-art laboratories, smart classrooms, digital learning resources, and collaborative learning spaces. Through strategic partnerships with leading industries, professional bodies, research organizations, and academic institutions, we provide our students with opportunities for internships, hands-on training, industry interaction, innovation, entrepreneurship, and global exposure.

While technical competence and professional expertise remain central to our educational mission, we place equal emphasis on nurturing qualities that define exceptional human beings. Leadership, communication, emotional intelligence, teamwork, ethical decision-making, environmental consciousness, and community engagement are integral components of the learning experience at our college. We believe that the leaders of tomorrow must possess not only knowledge and skills but also compassion, integrity, and the courage to serve society.

I express my deepest gratitude to the Delhi Sikh Gurdwara Management Committee and our college Governing Body for their constant moral and structural stewardship.

To the young minds entering our gates: if you bring the drive, passion, and desire to learn, we promise to support you at every single step of your journey. Welcome to our family!

Principal (Offg.)

About the College

Initially named after the ninth Guru of the Sikhs, this institution began its journey as Sri Guru Tegh Bahadur Khalsa (Evening) College in 1973. Securing the approval to start M.Com. course in the academic year 1988-89, its nomenclature changed to Sri Guru Tegh Bahadur Khalsa Post-Graduate (Evening) College. With the coming of academic year 2005-06, the college gained the status of a full-fledged Day College and was renamed Sri Guru Nanak Dev Khalsa College after the first Sikh Guru. As a constituent college of the University of Delhi, the college is now registered under Section 2f and 12B of the UGC Act 1956, and is managed by the Delhi Sikh Gurudwara Management Committee—its parent body that prides itself in managing quality educational institutions all over India. The institution has lived up to the vision of its parent body to complete 50 years of exemplary service in the field of education.

The College has constantly strived to achieve academic excellence, coupled with the all-round development of its students, since its inception. Inspired by the iconoclastic teachings of Guru Nanak Dev Ji, who demolished many false beliefs to show the world a modern way of life, the college endeavours to inculcate the combined spirit of scientific temper and authentic spirituality. Building the character of its students along the values of *Kirt Karnā* (To work honestly and earn by the sweat of one's brow), *Nāam Japnā* (Always remembering the name of God) and *Vand Chhakhnā* (Sharing with others), the institution encourages them to believe in equality of all human beings before God and share equitably with the less fortunate one (*Māanas Kī Jāat Sabhai Ekai Pehchanbo*). NSS and NCC wings of the college, along with various student-societies, pursue this vision of Guru Nanak Dev Ji by actively engaging students with community work such as educating the under-privileged sections of society, doing social work in the slums, and spreading awareness about consumer rights, financial literacy etc.

With 1617 students on its rolls in the various courses that are offered, the college promotes a culture of equality and strives to keep pace with a constantly evolving world. Its aim is to disseminate formal education to help students achieve their full potential as budding professionals as well as useful members of the society. This objective has borne rich harvest as it is regularly delivering university position-holders and producing outstanding sportspersons and Olympians of national fame. On the other end of the spectrum lies the achievements of Art and Culture Society that is regularly winning laurels and is leaving its imprints on the cultural landscape of the university.

Our Vision:

“To be an institution of repute, with a humane face, that is dedicated to academic excellence and social transformation by improving the quality of life of its students.”

Imparting education to evolving scholars and empowering them through capacity-building, the College fashions their young minds by enabling them to think, imagine, analyse, assess, and express themselves through activity-based learning. The vision remains to turn Sri Guru Nanak Dev Khalsa College into a viable intersection of academic excellence and moral values. It is only in this manner that the college can meaningfully contribute to community development by providing fair access to the poor and socially disadvantaged groups in the light of changing economic, social, and cultural developments. The college remains dedicated to providing all assistance—technical, infrastructural, informational, or motivational—to students and help them excel in life.

Our Mission:

Our mission is to realize the vision by developing life-long learners—equipped with specialised knowledge, enhanced skill sets and humane values—who are not only employable and entrepreneurial but are also able to contribute meaningfully to social development. We endeavour to make our students see themselves as agents of change in the globalised world, confident of taking up professional and societal challenges with passion and maturity.

The College has the following mission:

- To develop skilled human resource by instilling scientific outlook.
- To facilitate learners with opportunities and hone their leadership potential to meet contemporary challenges.
- To disseminate inclusive knowledge by sensitizing them towards social concerns, human rights, gender, and environmental issues.
