Duration: One Day

Title: Faculty Development Programme on ‘Soft Skills’

No. of Participants: 32

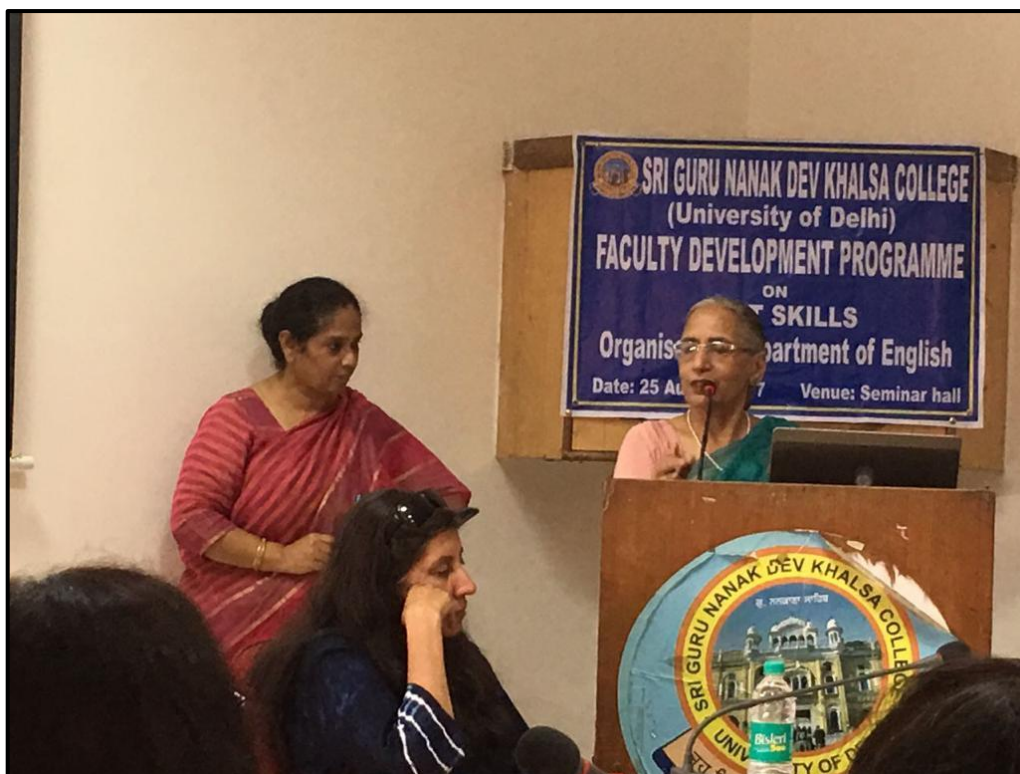

Report

Realising the need of the employers on a lookout for a workforce that is equipped with communication skills, a strong work ethic, initiative, interpersonal skills and teamwork, a One Day Faculty Development Programme on “Soft Skills” was conducted on August 25th 2017.

The programme was open for faculty across universities. Stalwarts and subject experts were invited to conduct workshops/lectures on the subject. Dr. Sanam Khanna, Mukul Saini and Dr. Deepshikha Mahanta Bortamuly among others held interesting sessions which were hugely appreciated. Teachers were given a hands-on experience on “Team work” and “Problem Solving.” Also, a session dedicated to understanding the demands and means to access the present job market was organized.

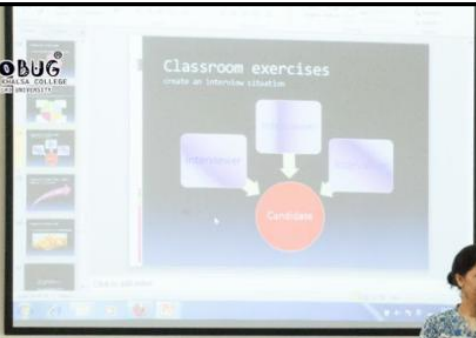

This FDP proved to be a huge success and faculty from over 25 colleges and universities attended the same. The session sensitised the teachers to the demands of the job market and how to get our students job-ready. At the end of the day a question bank and Rubric was generated which was later circulated amongst the teachers of the university.

Few Glimpses from the FDP
